3M™ Particulate Respirator 8110S, N95 160/Case

3M ID 70070757078 UPC# 50051138543056 3M Product Number 8110S CAT# 8110S

This disposable N95 particulate respirator is a small size version similar to our classic 8210 N95 respirator. It is designed to help provide comfortable, reliable worker respiratory protection against certain non-oil based particles.

Benefits

- Classic small-sized disposable N95 particulate respirator
- Cushioning nose foam
- Adjustable noseclip helps provide a custom fit and secure seal

Overview | [Support](#)

The lightweight, disposable N95 particulate respirator is designed for people with smaller faces. It helps provide quality, reliable worker respiratory protection. 3M uses a variety of innovative technologies and features to help you meet your respiratory protection and comfort needs. The respirator incorporates 3M's proprietary technology with advanced electrostatically charged microfiber filter media, designed for ease of breathing. It's adjustable noseclip and cushioning nose foam help provide a custom fit with secure seal and reduces potential for eyewear fogging. These comfort features promote greater worker acceptance and may help increase wear time.

- N95 approved filtering facepiece particulate respirator
- Designed for small-sized adult facial profiles; not approved for use by children
- Compatible with a variety of protective eyewear and hearing protection
- Adjustable noseclip reduces potential for eyewear fogging and helps ensure a secure seal and fit.
- Two-strap design with dual point attachment helps provide a secure fit.
- Suggested applications: Grinding, Sanding, Sweeping, Bagging and other dusty operations.
- Can also be used to help reduce inhalation of certain airborne biological particles like mold, Bacillus anthracis, Mycobacterium tuberculosis, etc. Example applications include emergency or pandemic preparedness planning, stockpiling, etc. **WARNING:** These respirators help reduce exposures to certain airborne contaminants. Before use, the wearer must read and understand the User Instructions provided as a part of the product packaging. In the U.S., a written respiratory protection program must be implemented meeting all the requirements of OSHA 1910.134 including training, fit testing and medical evaluation. In Canada, CSA standards Z94.4 requirements must be met and/or requirements of the applicable jurisdiction, as appropriate. Misuse may result in sickness or death. For proper use, see package instructions, supervisor, or call 3M OH&ESD Technical Service in USA at 1-800-243-4630 and in Canada at 1-800-267-4414.

Specifications

Aerosol Type	Non-Oil
Braided Comfort Strap	No
Exhalation Valve	No

Face Seal / Nosefoam	Nosefoam
FDA Cleared	No
Flame Resistance (ASTM D2859-96)	No
Fluid Resistant (ASTM F1862)	N/A
Individually Wrapped	No
Natural Rubber Latex Components	No
NIOSH Approval Number	TC-84A-0007
Nuisance Odor Relief (< OSHA PEL)	N/A
Ozone (3M Recommended up to 10X OSHA PEL)	No
Product Type	Dust and other Particles
Recommended Industry	Pharmaceutical
Respirator Style	Cup
Size	Small
Strap Attachment Type	Stapled
