

3M™ PocketProjector MP180

- If you want the ultimate in portable projection technology, the new 3M™ PocketProjector MP180 is for you. This powerhouse stores video, music and data files and even accesses the internet and other devices through Wi-Fi and Bluetooth technology.
- With its easy-to-use touch screen, you can quickly find files, arrange and edit presentations, access the internet, and transfer content to other Bluetooth devices like printers.
- 4GB of memory built-in.
- Fully equipped with speakers, 2 hours of battery life, screen size up to 80 inches (diagonal) and 30 lumens of brightness.
- Controlled lighting improves image brightness.
