3MTM PELTORTM MTTM Series 2-Way Communications Headset, Hard Hat Attached MT...

<u>3M United States</u> > <u>All 3M Products</u> > 3MTM PELTORTM MTTM Series 2-Way Communications Headset, Hard Hat Attached MT7H79P3E-C0046 1 EA/Case

3MTM PELTORTM MTTM Series 2-Way Communications Headset, Hard Hat Attached MT7H79P3E-C0046 1 EA/Case 3M Product Number MT7H79P3E-C0046, 3M ID 70071524360, UPC 10078371611689

- A premier hearing protection and communication solution for high noise environments
- Connects to two-way radios for improved communication
 in noisy environments
- Noise-cancelling boom microphone enables clear speech transmission in noisy environments
- Foam and liquid-filled cushions provide lasting comfort
 and an effective acoustic seal for long duration wear times

Specifications

Battery Type	1 AA Battery
Brand	PELTOR TM
Built in 2-Way Radio	No
Built In FM and or AM Radio	No
Color	Black
Communication Type	Two-way radio
	Yes

3MTM PELTORTM MTTM Series 2-Way Communications Headset, Hard Hat Attached MT...

Communication via External 2-Way Radio	
Compatible Radio Brands	Baofeng, Bendix King / Relm, Hytera, Kenwood, Wouxun
CSA Class	В
External Audio Input	No
Hearing Protection Style	Earmuff
Hearing Protection Type	Hard Hat Attached
In-Ear Solutions	No
Intrinsically Safe	No
Level Dependent Function for Ambient Listening	No
Microphone Class/Type	Dynamic
Noise Attenuating Headsets	Yes
Noise Reduction Rating	21 Decibel
Product Series	MT Series
Product Type	Communications Headsets
PTT Adapters or Interface Solutions	No
Recommended Industry	Design & Construction, Industrial Maintenance

Details

- · A premier hearing protection and communication solution for high noise environments
- · Connects to two-way radios for improved communication in noisy environments
- · Noise-cancelling boom microphone enables clear speech transmission in noisy environments
- · Foam and liquid-filled cushions provide lasting comfort and an effective acoustic seal for long duration wear times
- · Hard hat attached model connects directly to compatible hard hats

This is a direct lead noise-attenuating two-way communication hard hat mount from the 3MTM PELTORTM MT Series It features a direct lead to several Kenw communication radios

The 3MTM PELTORTM MTTM Series 2-way Communication Headsets are specifically designed for industrial users in noisy environments Incorporating 3M PI technology in both earcup design and electronics makes this headset, in conjunction with a 2-way radio, the ideal choice for clear, crisp 2-way communication areas Less Noise, More Communication This noise attenuating headset offers the dual benefit of reducing loud sounds that could be harmful to hearing while : allowing workers to communicate with one another Combined with a 2-way radio, the MT Series headsets enables workers to effectively discuss projects, give instructions, and verbally warn co-workers about safety hazards
