

Large Double-Sided Storage Tote Box

PRODUCT ID: 1149

DESCRIPTION

This tote is "totes awesome" – plenty large with lots of storage, double sided design, solid clips, clear tops and a pleasing, easy to carry shape. We love this tote for storing all of our goodies and keeping them safe from home to the studio to the workshop. One side has little 'cups' that can be removed. The other side has the classic divider system.

Outside dimensions: 13.5"x11.5"x3.25"

One side contains 15 compartments made with movable dividers. Each compartment's capacity is 2.6" x 1.9" x 1.25", they can be made larger by removing the dividers.

The other side contains five 2.3" x 3.5" x 1.25" bins and five 2.3" x 1.8" x 1.25" bins, which can be removed to make bigger compartments or while working on a project.
