Right-Angle 3.5mm Stereo Plug to Pigtail Cable

PRODUCT ID: 1700

DESCRIPTION

One of the most common converter cables you'll want in your cable collection - this 32" long cable converts a standard 3.5mm stereo jack to pigtail wires. Ground ring is black, middle ring is white and tip is red.

Cable is 32"/81cm long from end to end.

Right-Angle 3.5mm Stereo Plug to Pigtail Cable (4:49)
