

Supporting Swivel Caster Wheel – 1.3" Diameter

PRODUCT ID: 2942

DESCRIPTION

When your little robot needs someone to lean on, it can lean on this support wheel. Perfect for use with 2-wheeled robots that need a third-point of support, this Support Wheel comes attached to a mounting plate and with 4x screws and 4x nuts for fastening to any robot or project. It can rotate a full 360° on the plate and the sleek black metal look suits any robot.
