

Large Alligator Clip Test Lead (set of 10)

PRODUCT ID: 321

Description

- Connect this to that without soldering using these handy alligator clip test leads. 20" cables with alligator clip on each end, color coded. You get 10 pieces in 5 colors. Strong and grippy, these always come in handy! We often use these in conjunction with a multimeter so we don't have to hold the probes in place.

Compared to our small alligator clip set, these clips are longer (1.5" long)

- 10 piece set, color coded vinyl covered alligator clips.
- Contains two of each: Black, red, white, green, and yellow.
- 22 gauge heavy insulation copper wire
- 1 1/2" alligator clips at both ends
