

Square 60mm x 60mm Soldering Sponge – 3 Pack

PRODUCT ID: 3540

Description

They're yellow, they're square, they live in a pineapple under the sea... okay maybe not that last part, but this pack of three (3!) solder station sponges will come in handy around your workstation or wherever you do your soldering! Think of it as a sponge replacement pack, as it does *not* include a tray, holder, or other soldering equipment.

Technical Details
