Item # 11802, 5" Ceramic Scissor

5" Ceramic Scissor

The Ceramic Advantage. The long lasting sharpness of these scissors is achieved by the hardness, straightness, and precise alignment of the advanced ceramic blades. These durable, non corrosive blades are extremely suitable for moisture-prone environments. The non-conductive features also provides safety in electrical-related cutting tasks. Lightweight and easy to use, these preicison scissors are ideal where safety is critical and superior edge retention is required.

Plastic handles are carbon fiber reinforced.
