

Hard Case Professional[®]

MPN: HCSW21E

The Toughest Flashlights You'll Ever Need

Serious work demands serious lighting. On-site or in the field, the Energizer[®] Hard Case Professional[®] flashlights feature rugged dependability combined with innovative LED technology.

An innovative twist on the traditional flashlight. The head on the Energizer[®] Hard Case Professional[®] LED Swivel Light pivots 125 degrees to direct bright LED light exactly where you need it.

Features:

- Consumer-inspired design – ideal for Pro & DIY users
- Designed to last 25 years; backed by a full lifetime guarantee
- Custom designed optics deliver a wide, intense beam
- Head pivots 175 degrees to aim light where it's needed
- Versatile design features a magnetic base & compact body
- Tool-quality construction & advanced LED technology
- Exceptionally durable and weather-resistant
- Survives drops up to 7 meters and features a shatterproof lens
- Pivoting head flashlight includes 2x Energizer[®] MAX[®] batteries

|  Light Output |  Run Time |  Beam Distance |  Impact Resistant |  Water Resistant |
|---|---|--|---|--|
| 300 lumens (High) | 5.5 hours (Low) | 100 meters | 7 meters | IPX4 |
