| Part No. | ETST667                                                                                                                                                                                                                                                                                                                      |
| Type     | ETST66                                                                                                                                                                                                                                                                                                                       |
| Color    | Violet (VT)                                                                                                                                                                                                                                                                                                                  |
| Features | <ul style="list-style-type: none"><li>• PVC Tape is ideal for general purpose electrical applications.</li><li>• Heavy duty tape is comfortable and has exceptional surface and adhesive characteristics.</li><li>•Fast, easy and economical way to color coding, cable splicing, terminating and wire insulating.</li></ul> |

→Product Dimensions

|                      |                 |
|----------------------|-----------------|
| Length (L)           | 66.0ft / 20.12m |
| Width (W) (imperial) | 0.75"           |
| Width (W)            | 19.05mm         |
| Thickness            | 7.0mil          |

→Material and Specifications

|                       |                                   |
|-----------------------|-----------------------------------|
| Material              | Flexible Polyvinyl Chloride (PVC) |
| US MILSPEC            | MIL-1-7798-A                      |
| Adhesion              | 16 oz./inch                       |
| Operating Temperature | +20 °F to 176°F (-7 °C to +80 °C) |
| UL Rating             | UL Listed/UL510                   |

→Logistic and Packaging

|                |              |
|----------------|--------------|
| Packaging Type | roll         |
| Pkg. Qty.      | 10           |
| Carton Qty.    | 200          |
| UPC            | 089306165835 |
