

LC K110620003

LC1ALG LC LIGHT, 45" ARM WITH EDGE CLAMP LIGHT GRAY

One of the most widely used task lights in the world. With a combined 22W circline fluorescent and 14W compact fluorescent lightsource, LC provides the perfect balance of high light output with good color rendition. LC1ALG. Color: light grey.

Lightsource

Number of lamps	1
Lamp power (W)	22
Number of lamps 2	1
Lamp base	G10Q
Lamp power 2 (W)	14
Lamp base 2	E26
Lightsource	T9
Lightsource 2	T4

Ballast

Number of ballast	2
Type of Ballast	Multi watt HF

Optic

Material of reflector	Aluminum
Color of reflector	White

Termination

Cord length (ft)	6
Mounting	Edge clamp

Electrical data

Minimum frequency (Hz)	60
Maximum frequency (Hz)	60
Voltage from (V)	115
Maximum voltage (V)	120
Total consumption (W)	36

Body

Body color	Grey
Body material	Aluminum

Dimensions

Gross weight (lb.)	8
Arm length (in.)	45

Technical data

IP classification	20
