 Old item no.: LC2FEWT

LC2FEWT LC LIGHT, 30" ARM WITH WEIGHTED BASE WHITE

One of the most widely used task lights in the world. With a combined 22W circline fluorescent and 14W compact fluorescent lightsource, LC provides the perfect balance of high light output with good color rendition. Weighted base mount. Color: white.

Lightsource

Number of lamps	1
Lamp power (W)	22
Number of lamps 2	1
Lamp base	G10Q
Lamp power 2 (W)	14
Lamp base 2	E26
Lightsource	T9
Lightsource 2	T4

Dimensions

Net weight (kg)	0
Arm length (in.)	30
Gross weight (lb.)	51

Ballast

Number of ballast	2
Type of Ballast	Multi watt HF

Termination

Mounting	Table/desk base
Cord length (ft)	6

Electrical data

Minimum frequency (Hz)	60
Maximum frequency (Hz)	60
Voltage from (V)	115
Maximum voltage (V)	120
Total consumption (W)	36

Body

Body color	White
Body material	Aluminum

Optic

Material of reflector	Aluminum
Color of reflector	White

Technical data

IP classification	20
